- 2.2 As warrant holder the Key Employee is for a given period entitled – but not obligated – to subscribe for shares in the Company by paying the exercise price and the Company is obligated to accept such subscription.
- 2.3 The warrants do not provide the Key Employee with the right to vote at the Company's general meeting; to receive dividends; or to carry out any other shareholder rights.

#### 3. Grant of Warrants

- 3.1 When the Key Employee has entered into the Programme, cf. clause 1.2, the Key Employee is eligible for grants of options to subscribe for shares in the Company ("Warrants") subject to the terms and conditions set out in this Agreement.

- 3.2 The Warrants shall be granted to the Key Employee as follows:

[Number] Warrants on 1 July one year following Participation Date - ("Allotment Year 1").

Each of the dates of grant set out above shall be referred to as a "Date of Grant".

The period between the Dates of Grant shall be referred to as the "Allotment Period".

- 3.3 If Exit (as defined in clause 7.3) occurs after Allotment Year 1 but earlier than Allotment Year 3, the Key Employee is entitled to be granted all of the Warrants that would have been granted to the Key Employee if Exit had occurred later. The details of such grant shall be set out in the exit notice as defined in clause 5.4.
- 3.4 The grant of Warrants to the Key Employee is subject to and contingent upon the Key Employee being employed with the Company at each Date of Grant, subject to clause 8.2.
- 3.5 The shares, which the Key Employee may subscribe for by exercise of Warrants, shall be ordinary shares in the Company with the rights accorded to such shares pursuant to the Articles of Association of the

Company in effect from time to time and this Agreement. Shares subscribed for by exercise of Warrants shall be referred to as "**Shares**".

3.6 Rights granted under this Agreement to the Key Employee are not to be taken into account when calculating bonus, pension, salaries, other benefits, allowances or amounts on the basis of the Key Employee's remuneration, or in any other calculations in which benefits, allowances, or other remuneration elements might otherwise be relevant.

#### **4. Exercise Price**

4.1 Each Warrant carries the right to subscribe for one Share in the Company with a nominal value of EUR 0.01 against payment of a cash exercise price set out in the articles of association (the "**Exercise Price**").

#### **5. Exercise Period**

5.1 From the Date of Issue and until the Expiry Date as defined in clause 5.5 ("**Exercise Period**"), the Key Employee earns the right to keep and exercise Warrants only in accordance with the following rules:

5.1.1 The Warrants granted in Allotment Year 1 can be exercised in 15 calendar day periods starting one hour after the publication of a year-end report or an interim financial report (the "**Exercise Windows**") provided that the Exercise Window either (i) is open on the second anniversary of the Participation Date or (ii) will open following the second anniversary of the Participation Date and in such Exercise Windows that follow until the Expiry Date.

5.1.2 The Warrants granted in Allotment Year 2 can be exercised in the Exercise Windows provided that the Exercise Window either (i) is open on the third anniversary of the Participation Date or (ii) will open following the third anniversary of the Participation Date and in such Exercise Windows that follow until the Expiry Date.

5.1.3 The Warrants granted in Allotment Year 3 can be exercised in the Exercise Windows provided that the Exercise Window either (i) is open on the fourth anniversary of the Participation Date or (ii) will open following the fourth anniversary of the Participation Date and in such Exercise Windows that follow until the Expiry Date.

5.2 Regardless of Window 1, Window 2, Window 3 and Window 4 in clause 5.1, all granted Warrants can be exercised upon the occurrence of an exit event ("**Exit**") to the extent that the Warrants have not lapsed, cf. clause 5.5. Exit means completion (closing) of:

5.2.1 an acquisition by one or more third party buyers (i.e. undertakings or persons not controlled or advised by any of the Company's shareholders) under one aggregate transaction or multiple successive transactions deriving from one transfer agreement, acquiring more than 60% of the nominal share capital of the Company, or

5.2.2 a divestment of assets of the Company representing more than 2/3 of the value of the Company's assets, respectively, pursuant to the latest annual report of the Company, that gives rise to a distribution (by way of dividend, liquidation, share capital decrease, buy back of shares or similar transactions) to the shareholders of the Company.

5.3 The Board must inform the Key Employee in writing of any contemplated Exit, to the extent practicable, no later than 20 business days prior to the expected closing date of the Exit (the "**Exit Notice**"). The Exit Notice shall contain a computation of the Exercise Price and provide details of the bank account to which the Exercise Price shall be paid.

5.4 The Key Employee shall exercise the Warrants within Window 1, Window 2, Window 3 and Window 4 or in case of an occurrence at an Exit period of 10 business days after the Key Employee having received the Exit Notice, however, in no event later than the closing date of the Exit (the "Exit Exercise Period"). The Key Employee's exercise in accordance with clause 5.2 shall be subject to and contingent upon closing of the Exit. If a contemplated Exit is not closed, any repayments of the Exercise Price from the Key Employee shall be returned.

5.5 Warrants not exercised before the end of Window 4 ("Expiry Date") shall expire without further notice or compensation.

## 6. Exercise Procedure

6.1 Warrants must be exercised by the Key Employee providing written notice to the Board within the relevant Window or Exit Exercise Period that the Key Employee wishes to exercise Warrants. Simultaneously, the Key Employee must pay the Exercise Price in cash to a bank account designated by the Company.

6.2 The Key Employee may exercise all or part of the Warrants.

6.3 Upon the Key Employee's notification and payment of the Exercise Price pursuant to clause 6.1, the Company will as soon as possible following the relevant Exercise Window register the necessary capital increase with the Danish Business Authority and amend the Company's owner's register to reflect the Key Employee's title to the issued Shares.

6.4 Irrespective of clause 6.3, the Board may at its discretion, as an alternative to issuing Shares, choose to pay a cash settlement to the Key Employee equal to the difference between the Share Price (as defined in Appendix 1) and the Exercise Price. If the Board decides to pay cash settlement, this shall be stated prior to the Key Employee providing the notice, cf. clause 6.1. In the occurrence of an Exit, the decision to pay cash settlement shall be stated in the Exit Notice.

## 7. Transfer Restrictions

7.1 The Warrants are non-transferable and cannot be assigned to a third party, including in connection with a division of property following divorce. Equally, the Warrants cannot be pledged or subject to encumbrance, debt enforcement or any other form of execution.

7.2 If Warrants are transferred in contravention of clause 7.1, the Warrants shall lapse without notice or compensation.

7.3 The Board may decide to announce that the Company (or a designated third party) offers to purchase all or part of the Warrants at a price equal to the difference between the Share Price (as defined in Appendix 1) and the Exercise Price within a certain period of time. Transfers in accordance with this are not subject to clause 7.1.

## 8. Cessation of Employment

8.1 If the Key Employee's employment with the Company ceases, any already granted Warrants shall lapse without notice or compensation as of the date that the employment relationship ends, except in the following events:

8.1.1 the Company terminates the Key Employee's employment relationship without the Key Employee having given the employer reasonable cause to do so;

- 8.1.2 the Key Employee terminates the employment relationship as a result of a material breach on the part of the Company; or
- 8.1.3 the employment relationship ends (by termination or expiry) as a result of the Key Employee's death, incapacity (physical or mental) or retirement at an age where the Key Employee is eligible for Company pension or governmental pension.

Any exercise of Warrants not lapsed due to the events specified above may, however, only take place within the relevant Windows where the Warrants in question would otherwise be exercisable and with the given fraction, cf. clause 5.1, had the employment relationship continued unchanged.

- 8.2 In case of one of the events in clauses 8.1.1-8.1.3 (the "**Good Leaver Event**") occurring, the Key Employee will be granted a pro rata share of any Warrants that would have been granted at the end of the Allotment Period during which the employment ended, if the employment had not ceased. Such pro rata grant will take place at the ordinary Date of Grant. If the Key Employee's employment ceases and this is not due to a Good Leaver Event, the right to further grants of Warrants will lapse automatically and without compensation at the time that the employment ends.

## 9. **Adjustment of the Exercise Price and/or the Number of Shares**

- 9.1 If changes to the capital structure of the Company are implemented causing the value of the Warrants to be increased or reduced, an adjustment of the Exercise Price and/or the number of Shares which may be subscribed for pursuant to the Warrants ("**Number of Shares**") shall be made. Examples of such changes in the capital structure of the Company are capital increases and capital decreases not done at market price, issuance of bonus shares, change of the denomination of the shares in the Company, purchase and sale of own shares, issuance of warrants and/or, subject to clause 9.2, convertible instruments, merger and demerger. For the avoidance of doubt, Exercise Price or the Number of Shares will not be adjusted in case the Company pays dividends in line with its historical dividend policy, ie dividends in the amount of up to 70 % of the Company's net earnings.
- 9.2 Irrespective of clause 9.1, if the Company resolves to issue share options, shares, warrants, convertible instruments or similar to the Company's employees, managers, consultants or members of the Board or buys or sells own shares in this connection, no adjustment of the Exercise Price nor the Number of Shares shall be made. This applies irrespective of whether such issue provides the right to acquire shares at a price lower than the market price of the Company's shares at the time of allotment or whether the purchase/sale of own shares takes place at a price higher or lower than the market price of the Company's shares.
- 9.3 The Board shall determine whether an implemented change in the capital structure gives rise to an adjustment of the Exercise Price and/or the Number of Shares.
- 9.4 Any adjustment of the Exercise Price and/or the Number of Shares shall be made by the Board as soon as possible after the implementation of the relevant change and to the extent possible according to generally accepted principles and otherwise in such a manner that the market value of the Warrants as estimated by the Board after the relevant change to the extent possible corresponds to the market value of the Warrants as estimated by the Board immediately prior to the change.
- 9.5 The Key Employee is entitled to demand that the adjustment of the Exercise Price and/or Number of Shares made pursuant to clauses 9.3 and 9.4 (but not the decision as to whether an adjustment shall be made or not) is subjected to valuation by an accountant not acting as the Company's accountant. A demand for valuation must be made by the Key Employee to the Company no later than two (2) weeks after the Key Employee has been notified of the Board's adjustment. Thereafter, the valuation shall be made as quickly as possible. The valuation is binding on both the Key Employee and the Company and

cannot be brought before the courts or arbitration. The costs of the valuation shall be borne by the Key Employee unless the valuation made by the accountant is higher than the valuation made by the Board. Otherwise the costs of the valuation shall be borne by the Company.

#### **10. Merger and Demerger**

10.1 If the Company is merged or demerged, irrespective of the Company being the surviving or continuing company, the Warrants shall be exchanged for warrants which entitle the Key Employee to subscribe for the shares in the continuing company (/ies) based on the exchange rate for the Company's shares. As part of the exchange any regulation of the Exercise Price and/or the Number of Shares comprised by the new warrants shall be determined.

#### **11. Liquidation of the Company**

11.1 Warrants shall automatically lapse in the event of the liquidation of the Company. The lapse becomes effective when the General Meeting has adopted the final liquidation accounts.

### **II. FINAL PROVISIONS**

#### **12. Tax**

12.1 Any tax consequences arising or resulting from this Agreement, including tax consequences due to the grant or exercise of Warrants, are of no concern to the Company or the shareholders. Prior to entering into this Agreement, the Key Employee has been encouraged to investigate the Key Employee's tax situation and seek any advice that may be required in this respect.

12.2 The Company as employer and the Key Employee, however, agree that section 7P of the Danish Tax Assessment Act (in Danish: ligningsloven) shall insofar possible apply to the Warrants received by the Key Employee in the Company. For the purpose thereof, the parties agree that the fair market value of each Warrant as of the date of this Agreement is DKK [•] calculated using the Black-Scholes model.<sup>1</sup>

#### **13. Commencement and Termination**

13.1 This Agreement enters into force upon signing by all parties ("**Commencement Date**").

13.2 Part I of this Agreement may be terminated by the Company with the same notice required for the Key Employee's employment; however, the termination of this Agreement does not constitute a termination of the Key Employee's employment contract. If the Agreement is terminated, the Key Employee will receive a pro rata share of Warrants not yet granted and shall be entitled to exercise Warrants as if clauses 4, 5 and 6 had not been terminated.

#### **14. Breach**

14.1 If a party is in breach of this Agreement and such breach is not remedied within two weeks, the party (/ies) not in breach shall have the remedies available to such party (/ies) under Danish law or contract.

14.2 If the Key Employee is in material breach of this Agreement, and such breach is not remedied within one week, the Company shall have the right to demand that all Warrants belonging to the Key Employee shall be transferred to the Company (or any person or company designated by the Company) against payment of the Fair Market Value for Warrants (as defined in Appendix 1) less 25 %.

14.3 In addition to the remedies stated in clauses 14.1 and 14.2, the parties shall be entitled to the remedies of injunction, specific performance or other relief, or any combination of these remedies, for any threatened or actual breach of this Agreement and neither proof of special damages will be necessary to

## Appendix 1 – Fair Market Value for Warrants

When establishing the Fair Market Value for Warrants, except in clause 12.2, the following formula recognized by the Danish Assessment Council shall be used:

$$(H * L * R) / 100 = F$$

The components contained in the formula shall be defined as follows:

H	=	the Share Price (as defined below) of the underlying Share as a percentage of the Exercise Price (as defined below)
L	=	duration of a Warrant calculated in months
R	=	the minimum lending rate plus 4 %-points reduced by 50 % and divided with 12
F	=	the market value of a Warrant as a percentage of the Share Price of the underlying Share.

The defined terms in the components of the formula shall have the following meaning:

Share Price: The fair market value of the shares as determined by the Board.

Exercise Price: The Exercise Price as defined in clause 4.1 of the Agreement.

If amendments are made to the Assessment Council Model by the tax authorities e.g. due to the minimum interest rate not being fixed, such amendments shall also apply when establishing the value of the Warrants.

### Schedule 3 – Warrant terms for key employees and management

#### 1. Background

- 1.1 The general meeting of the Company has on 24 June 2019 authorised the Board of Directors of the Company (the "**Board**") to implement a long-term incentive program ("**LTIP 2019**") to create possibilities for the Company to retain and incentivise certain key employees by offering a long-term ownership engagement.
- 1.2 The Key Employee enters into LTIP 2019 upon the Key Employee subscribing for the Grant (as defined below in clause 3.1).

#### 2. General Description of warrants

- 2.1 A warrant means a right – but not an obligation – for the Key Employee to subscribe for ordinary shares in the Company at a given time at an agreed price as defined below.
- 2.2 As warrant holder, the Key Employee is for a given period entitled – but not obligated – to subscribe for shares in the Company by paying the exercise price and the Company is obligated to accept such subscription.
- 2.3 The warrants do not provide the Key Employee with the right to vote at the Company's general meeting; to receive dividends; or to carry out any other shareholder rights.
- 2.4 By signing this Agreement, the Key Employee is eligible to subscribe for options to subscribe for shares in the Company ("**Warrants**") subject to the terms and conditions set out in this Agreement.

#### 3. Grant of Warrants

- 3.1 On a date determined by the board of directors which is no later than 13 September 2019, (the "**Date of Grant**"), the Key Employee (i) subscribes for [Number of warrants is reflected in the individual agreement] Warrants (the "**Granted Warrants**") on the terms and conditions set out herein, and (ii) undertakes to duly execute and deliver any additional document required in connection with such subscription.
- 3.2 The Granted Warrants are issued to the Key Employee free of charge.
- 3.3 The Company will keep a register of all issued warrants, including the Granted Warrants.
- 3.4 The grant of Warrants to the Key Employee is subject to and contingent upon the Key Employee being employed with the Company at the Date of Grant.
- 3.5 Each Warrant carries the right for the Key Employee to subscribe for one (1) Share in the Company with a nominal value of EUR 0.01.
- 3.6 The shares, which the Key Employee may subscribe for by exercise of Warrants, shall be ordinary shares in the Company with the rights accorded to such shares pursuant to the Articles of Association of the Company in effect from time to time and this Agreement. Shares subscribed for by exercise of Warrants shall be referred to as "**Shares**".

3.7 Rights granted under this Agreement to the Key Employee are not to be taken into account when calculating bonus, pension, salaries, other benefits, allowances or amounts on the basis of the Key Employee's remuneration, or in any other calculations in which benefits, allowances, or other remuneration elements might otherwise be relevant.

#### 4. Vesting

4.1 The Granted Warrants will vest linearly with either i) 1/3 or i) 1/4 annually over a three-year or a four-year period from the Date of Grant, as applicable, (each year a "Vesting Period") and subject to fulfilment of the respective financial vesting targets as defined below (the "Vesting Targets").

4.2 For 2018-2020 the Company's Vesting Targets are:

- (i) an average total revenue growth of 30-50% p.a.,
- (ii) an average annual organic growth of over 10% and
- (iii) an average annual EBITA-margin of over 40% before special items.

4.3 The vesting of the Granted Warrants for the first Vesting Period will be based on the fulfilment of each of the above Vesting Targets weighed for the relevant period with 1/3 each and if not met, vesting will be reduced by up to 50% relative to each Vesting Target.

4.4 If none of the applicable Vesting Targets are met at the relevant Date of Vesting, the Warrants vesting in such Vesting Period will not vest on the relevant Date of Vesting, but lapse.

4.5 During the Vesting Periods, and subject to the fulfilment of the Vesting Targets, the Granted Warrants vest as follows (depending on whether the individual warrant agreement contains three or four years vesting periods):

[Number] Warrants on the first anniversary of the Grant Date

[Number] Warrants on the second anniversary of the Grant Date

[Number] Warrants on the third anniversary of the Grant Date

[Number] Warrants on the fourth anniversary of the Grant Date

Each of the dates of vesting set out above shall be referred to as a "**Date of Vesting**".

4.6 The Parties agree that the Vesting Targets for Vesting Periods beyond 2020 will be determined by the board of directors prior to commencement of such Vesting Period on the basis of the short-medium term financial targets applicable at such time and communicated to the market.

4.7 The Parties agree that the Vesting Targets for Vesting Periods beyond 2020 will be designed to allow for determination of whether the Vesting Targets have been met prior the Warrants becoming exercisable.

4.8 The vesting of the Granted Warrants at each Date of Vesting is, subject to clause 10 below, contingent upon the Key Employee's employment not being under notice or having been terminated prior to the relevant Date of Vesting.

## 5. Exercise Price

5.1 Each Warrant carries the right to subscribe for 1 Share in the Company with a nominal value of EUR 0.01 against payment of a cash exercise price equivalent to the Company's volume weighted average share price in the 10 business days after the Date of Grant plus 10% (the "**Exercise Price**").

## 6. Exercise Period

6.1 Starting with the trading window preceding the third or the fourth anniversary of the Date of Grant, as applicable, and until the Expiry Date as defined in clause 6.4 (the "**Exercise Period**"), the Key Employee earns the right to exercise vested Warrants in accordance with the following rules:

6.2 The vested Warrants can be exercised in the fifteen (15) calendar day period starting one hour after the publication of a year-end report or an interim financial report (the "**Exercise Windows**") following the third or fourth anniversary of the Date of Grant (depending on the individual warrant agreement) and in such Exercise Windows that follow until the Expiry Date provided, however, that the first Exercise Window shall be the Exercise Window following the Q2 Report in 2022 or 2023, as applicable.

6.3 Exercise of Warrants will in each case be subject to the fulfillment of the Vesting Targets in accordance with clause 4.2.

6.4 Regardless of the Exercise Windows in clause 6.1, all granted Warrants can be exercised upon the occurrence of an exit event ("**Exit**") to the extent that the Warrants have not lapsed, cf. clause 6.4. Exit shall mean completion of:

- (a) A resolution to the effect that the Company's shares shall no longer be listed on a stock exchange;
- (b) a resolution to liquidate the Company.
- (c) a transfer of shares in that subsidiary of the Company in which the Key Employee is employed, if after such transfer that subsidiary is no longer part of the Company's group; or
- (d) a transfer of assets entailing that the Key Employee is no longer employed in the Company's group. The Board must inform the Key Employee in writing of any contemplated Exit, to the extent practicable, no later than 10 business days prior to the expected closing date of the Exit (the "**Exit Notice**"). The Exit Notice shall contain a computation of the Exercise Price and provide details of the bank account to which the Exercise Price shall be paid.

6.5 The Key Employee shall exercise the Warrants within the Exercise Windows or in case of an occurrence of an Exit, in a period of 10 business days after receipt of an Exit Notice, however, in no event later than the closing date of the Exit (the "**Exit Exercise Period**"). The Key Employee's exercise in accordance with clause 6.2 shall be subject to and contingent upon completion of the Exit. If a contemplated Exit is not closed, any payments of the Exercise Price from the Key Employee shall be returned.

6.6 Warrants not exercised before the fifth anniversary of the Date of Grant ("**Expiry Date**") shall lapse and become void without further notice or compensation.

6.7 Irrespective of clause 6.4 above, should the Key Employee not be able to exercise his Warrants before the Expiry Date due to the Key Employee being in possession of inside information as defined under the Market Abuse Regulation (Regulation (EU) No 596/2014), the Exercise Period will be extended until the

first open trading window in which the Key Employee no longer holds inside information, and thus may exercise the vested Warrants.

## **7. Exercise Procedure**

7.1 Warrants must be exercised by the Key Employee providing written notice to the Board within the relevant Exercise Window or Exit Exercise Period that the Key Employee wishes to exercise vested Warrants. Simultaneously, the Key Employee must pay the Exercise Price in cash to a bank account designated by the Company. The Company may require that the exercise notice is provided in a form determined by the Company provided that the requirements to the notice is communicated to the Key Employee prior to the Warrants becoming Exercisable.

7.2 The Key Employee may exercise all or part of the vested Warrants.

7.3 All Warrants exercised in a given Exercise Window will have binding effect for the Parties on the last day of the Exercise Window selected and will therefore not be considered as exercised until the last day of the Exercise Window selected

7.4 Upon the Key Employee's notification and payment of the Exercise Price pursuant to clause 7.1, the Company will as soon as possible following the relevant Exercise Window register the necessary capital increase with the Danish Business Authority and issue the shares to the Key Employee. The Key Employee shall bear the risk of the price development of the shares subscribed for in the period from the date of exercise and until the date which the Key Employee has disposal of the shares subscribed.

## **8. Cash settlement**

8.1 The Board may at its discretion, as an alternative to issuing Shares upon exercise, choose to pay a cash settlement, either in whole or in part, to the Key Employee equal to the difference between the share price as of market close on the last day of the relevant Exercise Period and the Exercise Price. If the Board decides to pay cash settlement, this shall be informed prior to the Key Employee providing the notice to the Board, cf. clause 7.1. In the occurrence of an Exit, the decision to pay cash settlement shall be stated in the Exit Notice.

## **9. Transfer Restrictions**

9.1 The Warrants are non-transferable and cannot be assigned to a third party, including in connection with a division of property following divorce. Equally, the Warrants cannot be pledged or subject to encumbrance, debt enforcement or any other form of execution.

9.2 If the Warrants are transferred in contravention of clause 9.1, the Warrants will lapse without notice or compensation.

## **10. Cessation of Employment**

10.1 If the Key Employee's employment with the Company ceases, any Granted Warrants not vested shall lapse without notice or compensation as of the date that the employment relationship ends, except in the following events:

- (a) the Company terminates the Key Employee's employment relationship without the Key Employee having given the employer reasonable cause to do so;
- (b) the Key Employee terminates the employment relationship as a result of a material breach on the part of the Company;

- (c) the employment relationship ends (by termination or expiry) as a result of the Key Employee's death, permanent incapacity (physical or mental) or permanent retirement at an age where the Key Employee is eligible for Company pension or governmental pension; or
- (d) the employment relationships ends for any other reason than the above stated and the Board deems the Key Employee to be encompassed by clause 10.3 below.

(Each of 10.1(a)-10.1(d), a "**Good Leaver Event**")

10.2 Any exercise of vested Granted Warrants not lapsed due to the events specified above may, however, only take place within the relevant Exercise Windows where the vested Warrants in question would otherwise be exercisable and with the given fraction, cf. clause 6.1, had the employment relationship continued unchanged.

10.3 In case a Good Leaver Event, the Key Employee will keep his/her vesting rights to a pro-rata share of the Warrants vesting in the relevant Vesting Period until the Time of Resignation. The Time of Resignation shall mean the time where the employee no longer can claim salary from the Company irrespective that the employee in fact ceases to carry out work for the Company at an earlier point in time.

#### **11. Adjustment of the Exercise Price and/or the Number of Shares**

11.1 If changes to the capital structure of the Company are implemented causing the value of the Warrants to be increased or reduced, an adjustment of the Exercise Price and/or the number of Shares which may be subscribed for pursuant to the Warrants ("**Number of Shares**") shall be made. Examples of such changes in the capital structure of the Company are capital increases and capital decreases not done at market price, issuance of bonus shares, change of the denomination of the shares in the Company, purchase and sale of own shares, issuance of warrants and/or, subject to clause 11.2, convertible instruments, merger, demerger and distribution of dividends.

11.2 Irrespective of clause 11.1, if the Company resolves i) to issue share options, shares, warrants, convertible instruments or similar to the Company's employees, managers, consultants or members of the Board or buys or sells own shares in this connection or ii) to issue shares to if done in the context of and as an integral part of an industrial deal, such as a licensing or M&A deal, where the Company's counterparty in such deal is the subscriber, no adjustment of the Exercise Price nor the Number of Shares shall be made. This applies irrespective of whether such issue provides the right to acquire shares at a price lower than the market price of the Company's shares at the time of allotment or whether the purchase/sale of own shares takes place at a price higher or lower than the market price of the Company's shares.

11.3 The Board shall in its sole discretion determine whether an implemented change in the capital structure gives rise to an adjustment of the Exercise Price and/or the Number of Shares.

11.4 Any adjustment of the Exercise Price and/or the Number of Shares shall be made by the Board as soon as possible after the implementation of the relevant change and to the extent possible according to generally accepted principles and otherwise in such a manner that the market value of the Warrants as estimated by the Board after the relevant change to the extent possible corresponds to the market value of the Warrants as estimated by the Board immediately prior to the change.

**12. Merger and Demerger**

12.1 Subject to section 6.2 above, if the Company is merged or demerged, irrespective of the Company being the surviving or continuing company, the Warrants shall be exchanged for warrants which entitle the Key Employee to subscribe for shares in the continuing company or companies based on the exchange rate for the Company's shares. As part of the exchange any regulation of the Exercise Price and/or the Number of Shares comprised by the new warrants shall be determined.

**13. Tax**

13.1 Any tax consequences arising or resulting from this Agreement, including tax consequences due to the grant or exercise of Warrants, are of no concern to the Company or the shareholders. Prior to entering into this Agreement, the Key Employee has been encouraged to investigate the Key Employee's tax situation and seek any advice that may be required in this respect.

13.2 The Company as employer and the Key Employee, however, agree that section 7 P of the Danish Tax Assessment Act (in Danish: ligningsloven) shall insofar possible apply to the Warrants received by the Key Employee in the Company.

**14. Data Protection**

14.1 To the extent permitted by applicable law, the Key Employee consents to the Company storing, processing and collecting, electronically or manually, any personal data relating to the Key Employee for the purposes of the administration and management of its personnel and business as well as any sale or contemplated sale of all or parts of its business. Pursuant to the Personal Data and the General Data Protection Regulation and any other applicable legislation, the Key Employee is entitled to be granted access to the personal data collected and to have inaccurate data corrected.

**15. Commencement and Termination**

15.1 This Agreement enters into force upon signing by all parties.

15.2 This Agreement may be terminated by the Company with the same notice required for the Key Employee's employment; however, the termination of this Agreement does not constitute a termination of the Key Employee's employment contract. If the Agreement is terminated, the Key Employee shall be entitled to exercise vested Warrants as if clauses 5, 6 and 7 had not been terminated.

#### Schedule 4 – Terms and conditions of long-term incentive program

The board of directors of Better Collective A/S (the “**Company**”) has at an extraordinary general meeting held 24 June 2019 been authorised to establish a long-term incentive program (the “**LTIP 2019**”) for the Company’s key employees and members of executive management (the “**Key Employees**”). Reference is made to section 5.5 of the articles of association above. The board of directors is authorised to determine the detailed terms and conditions of the issued warrants and the distribution thereof in accordance with the principle terms and conditions set out below.

#### Participation and allotment

The warrants shall be allotted to the Key Employees i) during the 30 day period following the publication of the interim financial report for Q2 in 2019 (the “**First Grant**”), ii) during the 30 day period following the publication of the interim financial report for Q2 in 2020 (the “**Second Grant**”) and iii) during the 30 day period following the publication of the interim financial report for Q2 in 2021 (the “**Third Grant**”) (each a “**Date of Grant**”) in accordance with the below allocation:

CEO	On First Grant: 150,000 warrants, vesting over a three-year period
COO	On First Grant: 150,000 warrants, vesting over a three-year period
CFO	On First Grant: 300,000 warrants, vesting over a four-year period
Other Key Employees	1,100,000 warrants may in the aggregate be allotted to the Other Key Employees in on or more issues on the Date of Grants, provided that no individual Other Key Employee may be allotted more than 100,000 warrants, vesting over a three-year or four-year period.

It is expected that between 20 and 50 participants will be included in the category Other Key Employees and be allotted warrants over the course of the LTIP 2019.

The LTIP 2019 shall be offered to Key Employees who are employed at the time of the relevant allocation. The board of directors shall, within the framework of the resolution from the annual general meeting determine the vesting period and the number of warrants that each Key Employee shall be allotted in accordance with the abovementioned principles.

In accordance with the Company’s incentive guidelines, the value of the warrants to be allotted to the executive management shall not exceed 100 % of the respective manager’s annual base salary at the First Grant.

#### Vesting

The allotted warrants will vest linearly with 1/3 or 1/4, respectively, over a three-year or four-year period from the Date of Grant, as applicable, and subject to fulfilment of the financial vesting targets.

The vesting of warrants will be subject to fulfilment of certain financial vesting targets which will be determined by the board of directors for each vesting period in advance of such period.

The financial vesting targets for the first two consecutive vesting periods will be based on the short-medium term financial targets 1-3 (set out below) for 2018-2020 of the Company as set out on page 18 of the annual report for 2018.

For 2018-2020 the Company's relevant short-medium term targets are, i) an average total revenue growth of 30-50% p.a., ii) an average annual organic growth of over 10% and iii) an average annual EBITA-margin of over 40% before special items.

The financial vesting targets for the first two vesting periods will be based on fulfilment of each of the above financial targets weighed for the relevant period with 1/3 each and if not met, vesting will be reduced by up to 50% relative to each financial vesting target.

The financial vesting targets for vesting periods beyond 2020 will be determined by the board of directors on the basis of the short-medium term financial targets applicable at such time and communicated to the market. The board of directors expects to apply a similar mechanism as in the first two vesting periods (described above).

If none of the financial vesting targets are met at the relevant time of vesting, the warrants will not vest at the end of the relevant vesting period, but lapse.

The board of directors will determine the financial vesting targets for subsequent vesting periods prior to the relevant date of Date of Grant and prior to commencement of each vesting period. The board of directors intends to present the determined financial vesting targets as well as the fulfilment at the latest in connection with the expiration of the LTIP 2019.

Furthermore, it is a prerequisite for the Key Employee's linear vesting rights that their employment with the Company is not under notice or terminated for any reason by either party throughout the vesting period.

#### **Exercise period**

For holders of warrants which vest over a three-year period, the allotted and vested warrants may be exercised in exercise windows that will open in the period from the third to the fifth anniversary from the Date of Grant. For holders of warrants which vest over a four-year period, the vested warrants may be exercised in exercise windows that will open in the period from the fourth to the fifth anniversary from the Date of Grant (the two-year exercise period and the one-year exercise period jointly referred to as the "**Exercise Periods**"). Exercise will in each case be subject to fulfillment of the financial vesting targets.

If the vested warrants are not exercised in the last exercise window, such warrants will lapse and become void. Should the Key Employee, however, not be able to exercise the vested warrants due to inside information, the Exercise Period will be extended until the first window in which the vested warrants may be exercised.

#### **Exercise price**

Each warrant carries the right to subscribe for one share in the company with a nominal value of EUR 0.01 in the Exercise Period against payment of a cash exercise price equivalent to the company's volume weighted average share price in the 10 business days after the Date of Grant plus 10%.

#### **Terms and conditions for the warrants**

Other than stated above, the warrants shall be subject to customary terms and conditions for warrants which in connection with the allotment of warrants will be adopted by the board of directors as a schedule to the Company's articles of association. These warrants terms will include among others that:

1. The warrants are issued to the participant free of charge.

2. The warrants are non-transferable and cannot be assigned to a third party, including in connection with a division of property following divorce. Equally, the warrants cannot be pledged or subject to encumbrance, debt enforcement or any other form of execution. Notwithstanding the above, the warrants may be transferred to a personally held holding company of the Key Employee.
3. If warrants are transferred in contravention with item 2 above, the warrants will lapse without notice or compensation.
4. The warrants do not provide the Key Employee with the right to vote at the Company's general meeting, to receive dividends or to carry out any other shareholder rights.
5. The board of directors shall be authorised to make minor formal adjustments to the resolution which may be required for registration with the Danish Business Authority.
6. The warrants will be subject to customary recalculation provisions.
7. The board of directors may at its discretion, as an alternative to issuing shares upon exercise of the warrants, choose to pay a cash settlement to the warrant holder equal to the difference between the share price and the exercise price of the warrants.
8. The Company may elect that the Key Employees will be subject to special tax rules even though this may result in the company not being allowed to make a tax deduction on the value of the warrants.

- 1.5 The Nomination Committee’s term shall run until such time as a new Nomination Committee has been elected.
- 1.6 No fees shall be paid to the members of the Nomination Committee.

### 2. Duties of the Nomination Committee

- 2.1 The Nomination Committee shall prepare and propose the following to the coming annual shareholders’ meeting:
